This OLA 'Release Request Form' must be used in all cases where a player wishes to be released from his/her current Box Lacrosse or Field Lacrosse association, in order to sign and play with another association. The Player, a Parent or Guardian must complete section 1 and deliver it to the President of the association from which the release is requested.

The association must respond to the applicant within 72 hours either with the approved release or a date (within 7 days) when the release hearing will be held and the time and location, in order that the applicant may be present to formally discuss the request. If the request is denied, the association must return the form with section 2 complete with written reasons for denying the request, and provide the applicant with the information necessary to take the request to the Zone.

Upon receipt of the updated "Release Request Form' and the appeal fee, the Zone must notify the applicant (within 72 hours), of the date, time and location of the next scheduled meeting of the Zone Release Committee. The player must attend this meeting to discuss the reasons for the release request. The association representative must also be advised of the meeting in order that they can have representation at the meeting as well. . If the request is denied, the Zone must return the form with section 3 complete with written reasons for denying the request and provide the applicant with the information necessary to take the request to the OLA level.

When the OLA receives the updated "Release Request Form' and the appeal fee, they must notify the applicant (within 5 business days), of the date, time and location of the next scheduled meeting of the OLA Appeals Committee. The player must attend this meeting to discuss the reasons for the release request. The Zone and association representative must also be advised of the meeting in order that they may have representation at the meeting, if they wish. If the request is again denied, the player's only option is to continue with his/her current association and try to resolve the differences that led to the request for a release.

If at any level of these proceedings, the release is granted (whether conditional or unconditional), the player must present the signed two-page form to the registrar of his new association, in order that it can be attached to the new registration form as proof of release.
